

EWB General Meeting Feb 9, 2009

Welcome from Yonathan

- Re-established contact with village in Guatemala. Fundraising is on track.
- Alternative Spring Break, March 16-21. Leave in the morning; come back in the evening, and four full days volunteer and 2 full days of traveling. Four people signed up so far and 10 max, maybe more.
- Write a check for \$50 and give it to Molly for EWB, this will guarantee your spot for New Orleans.

- Three forms to fill out

- Due Feb. 20th

- After sign up, email Yonathan emergency contact info, etc. or email ewb@ou.edu

Details of Trip

With lower 9th ward homeowner association. Doing Hurricane Katrina reconstructions, anything is possible, will not know the exact detail until we get there.

We will be staying in people's homes.

Enjoy come St. Patrick's Day festivities.

Expenses-Most expense paid trip

- Free lodging, pay for your own food, chip in for gas, other things paid for

Electrical Engineers-

Approached by man named Derek Hart. Problem with weather radio for blind people because the only way to tell if the weather radio is working is through the light on the radio. The company that produces the product and it costs about 100 bucks to make it blind people accessible. We have couple of weather radios and we need electrical engineers to help us with modifying these radios with simple set-up that will give them a feed back to see if the radio is working. Please let your electrical engineers friends know and see if anyone is willing to help.

Email from Molly about **Engineering Fair, Tuesday 17th @ Omniplex, 9AM to 2PM**

Need student organizations to volunteer who can stay for a significant amount of time

- No one showed availability

Design for the foundation for La Pradera

We have contacts who will figure out the prices and costs.

Need to meet with Dr. Miller to work out other logistics and planning.

- Shelby showed interest in design

- Diana

- Colton Wilson

March 9th- Monday, 7PM, regular meeting time

Jimmy from Schlumberger and will be making a presentation and employment opportunities

- Schlumberger will be making donations and will pay for food

- Please come out and support us and Schlumberger

- Member's interests in career related topics

- Interview tips

- Career tactics
